# About Dodecantus uk

Dodecantus are a chamber choir of between 12 and 16 singers who aim to perform music to the very highest level. We like to keep our numbers small to ensure we create something very special and intimate whenever we perform, forging a bond between ourselves and our audience, without whom no performance is complete.

*Dodecantus performing live in France, 2006*

We usually perform in Wiltshire and Gloucestershire, but are happy to consider other venues from time to time. We also undertake one foreign tour per year.

# Dodecantus uk and Weddings

Since 2004, Dodecantus have been proud to provide music during wedding services.

Your wedding day is an event you will remember for the rest of your life and this is something we at Dodecantus uk take very seriously: we regard it as a privilege to share beautiful music with you and your family at your special event. Music through the ages has always been used on significant family occasions and we hope our skill, dedication, commitment, and love of music will contribute to a truly magical day for you.

No two weddings are ever alike and thus we listen carefully to any ideas you may have with regard to music during the service. However, if you are drawing a blank, we can advise what might be appropriate. We **always** take the time and trouble to discover what music would really make an event special for you. We can also make suggestions about what points in the service it would be possible to have music, as there is a great deal of flexibility in normal circumstances.

Should you have pieces which are special to you but with which we aren't yet familiar, as long as we have a reasonable notice period we would be happy to learn them especially for you. We are also able to arrange most pieces for four-part harmony, within certain constraints, but these

options can all be discussed during our initial contact with you.

# Contacting Dodecantus uk

We have a website – [www.dodecantus.org.uk](http://www.dodecantus.org.uk) – which gives details of all our musical activities, not just our wedding services. If there is a reasonable length of time before your wedding, why not come along to one of our concerts – this will give you a good idea of the quality of performance we offer! If you can't manage this, we are also happy for you to come along to a rehearsal, without obligation, where we will sing pieces for you on which to base your judgement of our abilities and decide whether we'd be right for you.

We have supplied a tear-off slip with this leaflet if you'd like to post us your details and any ideas you might have regarding music for your wedding. Alternatively, please feel free to email us at [info@dodecantus.org.uk](mailto:info@dodecantus.org.uk) and we will get back to you with all due speed.

If you'd like to talk to a 'real person', please telephone either Zelda Lawrence-Curran on 01367 252665, Francis Sheppard on 01793 771018 or Tim Lewis on 01672 539607 and we'll do our best to help you.
